“ We became part of the Hall family in 1959 when we were neighbors, they became part of our family at same time. They raised several of my kids when we were involved in a auto accident until my wife recovered. We were eternally grateful to them and all my kids thought Buddy was the greatest breakfast cook ever. We know that Bud and Judy are in a better place without pain and suffering. Our prayers go out to all who knew them and loved them. They will be missed forever.

“ To the Hall family; your family has always been a large piece of the foundation of my life. While having to let go of Judy 3 yrs ago and now Bud, wrenches my heart, knowing those two are back together once again comforts me. Thankfully, they both were able to get to know my Tommy. And, as always, they immediately made him a part of the family. Tommy felt it then and is very grateful. Their love and the way they lived, changed lives..all for the better probaby more than they would know. Thank you for sharing them with us. They will never be forgotten. Their true Christian way of living continues to impact many lives. We will so miss that sweet loving "daddy".
