

James Bradley Galloway

December 16, 1949 - October 31, 2014

James Bradley Galloway (affectionately known to family as "Brad", to co-workers as "Jim", to his grandson as "Nampa", and as "Mr. Jim") passed away October 31, 2014 at the age of 64. He was born December 16, 1949 in Albuquerque to William McKinley Galloway and Billie Raye (Lambert) Galloway. Jim proudly served in the United States Navy and later began an extensive career with the Albuquerque Police Department from which he retired in 2003. The majority of his years with APD were spent as a member of the Bomb Squad, which he was passionate about. After retirement from APD, Jim was employed as an Instructor with New Mexico Tech's First Responder Program. He enjoyed teaching, the outdoors, guns, calligraphy, cross-word puzzles, car racing, tending to his roses, and spending time with family. He was an avid story teller and could always find something to talk about with anyone he met. Jim is survived by his wife, Lynette of the family home; son Ian Dennis of Pleasant Hill, MO (wife Jaime and their son Levi); sisters Lynn Huff of Bosque Farms, NM (husband Peter); and Lori Stephenson of La Veta, CO (husband Jeffrey); brother Billy Washburn and family of Montana; nieces Jaymie Dunlap of Santa Rosa, NM (husband Ty and their daughter Lacy); Sarah Sly Sanchez of Albuquerque (fiancé Chris Edwards and their son Jackson); and many loving aunts, uncles, and cousins, as well as many lifelong friends, co-workers, and friends from around the globe from his worldwide travels. “ *On Behalf of the Albuquerque Office of the Bureau of Alcohol, Tobacco, Firearms and Explosives, I would like to send our condolences to Jim's family.*

During the 1990's and early 2000's Jim was always available and willing to provide his expertise related to explosives and to explosive investigations which ATF became involved with.

There were many times during the above described time frame that Jim and ATF partnered up to investigate explosives related criminal acts.

Jim was easy to work with and he was always willing to go the extra mile to solve a case involving the criminal misuse of explosives.

May God bless Jim and his family.

“ *I met Mr. Galloway many years ago when he first began teaching with the First Responder program and would come to the BEST WESTERN Convention Center to teach. He was always very pleasant to speak to and on Wednesdays when we would serve donuts I would give him his favorite which was a chocolate covered donut with coconut. He would always ask how my family and kids were doing. I will always remember the many conversations we had. He was a great person and a dedicated First Responder Instructor. All the staff and management of the BEST WESTERN in Socorro send our condolences, and are saddened to hear of Mr. Galloway's passing.*

“ *Officer Jim - I remember getting in bad trouble on Halloween evening when I was about 7. You came by to set me straight (I think I had a sassy mouth) but you were too nice and friendly to me to be scary. You gave me a hug, sat me on your lap in the patrol car and let me run lights and sirens. I perked up and went off to trick-or-treat. I very much admired you...*

“ *Jim, Hope you are running west bound on Montgomery after that silver Split Window Corvette. You made me late for work more than once just to look at my car. Thanks for the ride along"s back in the old days before Bomb Squad. You will be missed old friend. My love and sympathy to Lynnette and Ian.*

“ *Jim was the greatest. He and Lynette were present at my daughter's wedding and the four of us shared many fantastic trips together. Jim and I went hunting together every fall and I looked forward to his fall visits for most of the year.*

You couldn't ask for a better partner at work and he was always able to see some positive in almost anything. He always was there when you needed him and he always was free to lend a helping hand.

Debster and I miss him so much and we hope that Lynette and the rest of Jim's family are doing alright considering the circumstances. Jim was there for me and my family through thick and thin, good or bad, and when he was your friend, you knew that he had your back, and your loved ones too.

Jim was my best friend and I miss him. I will miss his telephone calls every couple of weeks or so, and his stories. We hadn't been hunting together in years, but that didn't keep us from re-living the adventures. I'll miss those chats.
