“ *I will always remember Aunt Janet's beautiful smile! Whenever Aunt Janet smiled her whole face was involved! Aunt Janet was always welcoming and super sweet...I will miss her!
I hope all of her family and friends can find comfort knowing that she can breathe easy now and know that she is watching over them.*

“ *The life given us by nature is short, but the memory of a life well spent is eternal.*

Aunt Janet, like my dad before her, will live eternally in my heart and in my mind. I hope that Uncle Tommy, Brian, and Greg will eventually find comfort knowing that their mother and companion will live without pain in the hearts and minds of everyone she touched.

*Love,
Ronald Nicoletti Jr.*

“ Dear Aunt Janet we will miss you. We lived in different states and rarely saw each other, but my best and most memorable vacations I ever had involved you. The summer vacation to Lake of the Ozarks, the St. Louis Arch, the trips to Cabo and the visits to New Mexico I will always remember. You had a big heart and always cared for others. I will miss our talks and laughs we had. You will never be forgotten. I will tell my 18 month daughter all about you as she gets older. I will show her pictures of you and the fun we had on your husbands (Uncle Tommy's) boat. And probably the never ending car trip back from lake of the Ozarks with the car overheating. You always welcome everybody with open arms and made us feel special. We All will miss you and love you. Rest In Peace Aunt Janet.

Love Always

“ In the relatively short time I knew Janet, I came to love her wonderful smile and attitude. Whenever I would call her to let her know that I missed her at our Mah Jongg games, she was so appreciate that I was thinking of her and was always very upbeat and welcoming. This included our last conversation which was a very short time before her passing. I will miss her.

So wonderful to have known you, dear Janet, for all too short a time. Our Maj Jhongg group misses hearing "joker, joker" or "something good" or "someting I need" as you drew your tiles. We all loved having you with us and will miss you. Dee Dee Reuler
