For Those I love and Those Who Love Me When I am gone, release me, let me go-I have so many things to see and do.You mustn't tie yourself to me with tears,Be happy that we had so many beautiful years. I gave you my love. You can only guessHow much you gave to me in happiness.I thank you for the love you each have shown, But now its time I traveled on alone. So grieve a while if grieve you must,Then let your grief be comforted by trust.It's only for a while that we must partSo bless the memories within your heart. I won't be far away for life goes on,So if you need me, call and I will come.Though you can't

see or touch me, I'll be near-And if you listen with your heart, you'll hear-All of my love around you, soft and clear. And then, when you must come this way alone,I'll greet you with a smile and say"Welcome Home"

“ Dana, Jenae, Brian, Sheree, Troy, Kathy, and Courtney, I pray you find comfort and trust that Jason is no longer suffering nor struggling with all that this life had in store for him. God is good, and He is caring for Jason and holding him in His healing arms. Support each other in this time of grief but please don't be afraid to reach out to the rest of us; we're family! Jason was always kind to me, even when I was a pesky kid. I will always remember his smile and warm eyes. I'm grateful that I knew him and feel blessed to know that he is in a much better place. God bless you all, Stephanie

“ I was never part of the popular group of kids but I knew everyone. I wasn't rich or drove a car to school. But Jason never made me feel as though I didn't matter. He was always sweet and always said Hi and gave me a hug!!! After reading what others have said it seems that he did that for everyone. Yes he was cute and of course who could forget those blue eyes but he was just an amazing guy!!! I have great memories of him and I'm sad that I lost touch!!! RIP Jason and God Bless You!!! To the Schwartz family I am truly sorry for your loss and I pray that God helps you through this tough time.

“ Sending my deepest sympathy. My thoughts and prayers are with all of you, at this time. My memory of Jason...He had a locker by me at Hoover... Every passing period was eventful, with him and his friend Tony. I always looked forward to seeing those two. It made my whole day ~ made my whole year. Although, we didn't hangout with each other in high school, he would give me that warm smile, when passing by.I will always remember him.... His kind heart and those striking blue eyes.
