“ Our thoughts and prayers are with you Michael and all the family. I remember Jay best as a child at Thanksgiving get togethers at our great aunt Winifred's. In later years we sent numerous e-mails, cards, and some telephone calls. I shall miss his bright light and ready humor. May he greet all his loved ones in heaven. God Bless you all at this sad time. We will miss Jay, his friendship and humor and the pleasure of having him as a longtime neighbor and friend. Our 3 sons have all remarked about the memories of his being there throughout their growing up years and then in recent years as he shared several holiday dinners with our extended family. We feel blessed having him in our lives.

Mr Muchmore, this is a note to you up in heaven..... it was a pleasure to know you....I will remember you throughout my life and my career...your joyous and infectious laugh! Thanks for making me smile just because I knew you. You are no longer suffering.....And to you Michael and Deborah, you two are good people. I am happy for you both because you spent so much quality time with Mr. Muchmore! He will always be in my Heart....and he will always be Mr Muchmore to me, not Jay, but Mr Muchmore. Know that you are in my thoughts...
