“ Dear Janet and family, I have always held a great fondness and admiration for your mother ever since I met her so many years ago when I was Trent's middle school teacher. She was loving, giving, energetic, positive, and had great strength and confidence. She and Trent endeared themselves to me because they were so uniquely special and I feel blessed that they were part of my life. I will forever cherish the wonderful memories of your sweet mother. My thoughts and prayers are with you.

“ Sweet Aunt Jayne, I loved your laugh, and your bright and cheerful personality - so like Grandma's. The swing picture brought tears to my eyes, because I remember so well wondering about the "beauty" in the gilded frame. You did so many things well, and had delightfully strong opinions; I enjoyed you so much.

“ *I loved Aunt Jayne! She always seemed to be bubbling with enthusiasm and was the first person to challenge me to learn how to spell Albuquerque! What a wonderful woman, I'm sure she is engaged in many happy reunions now.*
