“ Jojo shared today that on the Monday June 29, 2015. His Daddy took him to the park to play soccer. He said his Daddy made up a cool game on trying to play with your eyes closed, he said they were both laughing so hard, and after they went got an icecream on their way home. Then they played xbox until they went to bed... He said through all the tears that his Daddy is and will always be the best Daddy in the world....

“ *It was 10 Years ago when Jeff married my granddaughter Cathalina and I liked him very much from the very beginning that I met him. he was a wonderful father and great family man. two weeks ago when they came to visit us in San Bernardino, we really had a great time, he seemed to be so happy around his family and he enjoyed playing around with his children. we're going to miss him very much. He was a great family man and we're all going to miss him greatly. He was way too young to have departed from us, but, we just need to pray and wait for when the time comes for us to join him, in the meantime, we need to stand by his family, his parents and extended family. My most sincere condolences to the whole family, and my prayers for The Lord to give you strength. RIP Jeff.*

“ It was just a couple of weeks ago Cat and Jeff came to California to attend Cat's Nephews birthday party. They camped out here at the Chaparral in their tent. It was June the 30, 2015 they were here when Perrita had to be put to sleep, I was devastated. Jeff came to hug me and console me cause he saw that I was in pain. It really meant a lot to me that he could take the time to do that. Our family welcomed him and he seemed to fit in with us so well, I really liked Jeff so much, he was such a sweetheart and it hurts that such a sweet soul can be gone at such a young age, I will truly miss you Jeff.
