“ *Tony, Jolene, Doris and Families. We are sorry to hear the passing of Aunt Jessie. I wish my family lived closer so we could have gotten to know you all and Aunt Jessie better. I remember Mom - Josephine Gillikin spending many hours on the phone talking to Aunt Jessie and sending lots of letters. It seemed Mom and Jessie had a special relationship. “ My dear dear friend, how I will miss her. My neighbor since 1956, I have many many fond memories. Going to church and McDonalds every day for many years, we became sisters at heart. I will always treasure and love this very special person. She loved anything that had to do with angels, and now I know she is one watching over us with our Heavenly Father. May God Bless her family and know our thoughts and prayers are with them.

“ Tony, Edrie, Jolene, Dorie, and families,

I am so sorry about Jessie's passing. I suppose I knew her longer than anyone except Anthony and Tony and have many memories of her from the time she was a young woman to old age. She was a fiery, feisty personality who never gave up, no matter the many challenges that came her way, and was always fiercely loyal to her family and proud of her children. She was the funniest of the Devines and was always ready to trade barbs with me or my dad on any topic. I remember great times with her and Tommy and the whole family gathering together at her home or ours. Her stories of working at the Covered Wagon, where I'd visit her regularly, were hilarious, especially when fights would break out between the owners who had concha belt fights that recede through the store and scattered the tourists for a while. She was a pistol and will be missed by all she knew her.

“ *Tony Shenuski, et al, I'll never forget my always interesting Aunt Jessie. She and I had wonderful conversations that almost always had lots of humor. I loved to tease her and she always responded by temporarily "getting mad" at me. She was a tough, good-hearted lady who had great insights into the human condition. I miss her!*
