“ Our deepest condolences. Rev. John Blue married us back on January 7, 1973. We remember his words of wisdom and we have lived by his wisdom. I Janet grew up in his church of fellowship. It was a church filled with love and I enjoyed his sermons every Sunday. Our hearts and prayers are with you at this time of deep sorrow. He will be another one in Heaven that will be praised and continue his teachings with love. Love, Janet & Mike

“ Dear Jay, Teresa, and Darrell, Hazel called me upon the death of your father. Instantly my heart became grieved. I wish with all my heart that I could have been with you over the last few days. We were unable to travel to NM, but your father meant so very much to me. I can remember I wrote several pastors in NM and AZ and even TX, needing a place to do our internship under. There were only two pastors that responded to my letters and your father was one of them. As I passed through Albuquerque to visit the first pastor that wanted us to try out, Bro. Blue met me at a truck stop; he bought us lunch and after lunch, he said, "There was no need to try out for the other church. I believe if you were to come to our church. The people will fall in love with you and we will take you on straight away. And the fact that Michele was saved in our church, she was dear friends of the Jaramillos already, I really believe our Fellowship Baptist will vote you in as ass't pastor." Jay, when you were in my SS class, the Spares and Pairs, we sure had a lot of fun. Darrell, your parents were dear friends of mine. Teresa, I remember you helping the youth dept. grow. Our love and prayers are with all of you always, Larry and Marty Stringfield

“ From the first time I meet you , I knew that you were the friend and pastor for me. Preacher, I am sorry that I was not able to see you more often. We will always have Mick's Chili Fix with J. Frank. It was a honor to have known you. God has recieved one of his chosen lambs. I will forever remember what you did for me and Tammy when Nicole passed. You were a great strength and support for me. I will truley miss you. There is great sorrow here only because you have left us in body. But great Joy in knowing that you are with our maker and savior. We will get to meet you again on those wonderful shores of Heaven. God has chosen a great one for his choir. RIP my brother..
