“ *Johns Family and Friends, I was saddened to learn today that John had passed. We became friends through my involvement with one of the companies he started and remained friends for a long time after that. he was a pleasure to talk to and had a great mind that I was endlessly entertained by. I will miss him, my condolences to all who knew him.*

*Kindly and with deepest sympathies,

“ *All my thoughts and love to Josephine, Kathy, Patty and the rest of John's wonderful clan and friends. I always have admired John and loved his sense of humor, his intellect and his passion. He was a giver in a world that so often is not blessed with givers. Of late I had only been in touch occasionally, but since our childhood I have considered him a good friend and wise counselor. We will all miss him, Ric Marlink*
