“ I am a new nurse on Mountain View. John was one of the first ones to learn my name and always said, "Hello, " and had a kind work. I didn't know him long, but I will miss working with him.

“ John I will miss seeing you. I enjoyed our talks. I got to know John working in the kitchen and he would come through the line to eat. I was so happy for him when he got the job on Mountain View. He had a wonderful smile and he was so excited to start working on computers. John you will be missed.
God Bless your family at this time. Rest In Peace My Friend.

“ John was a truly special individual. I got to know John on MVLC and admired and respected his strong work ethic, and commitment to keeping our unit looking it's best. He took pride in his work and it showed. We took pleasure in knowing when John worked, we all would benefit from it. He always had a smile and a kind word. He never complained and was always to work as a part of the team on our unit. We will truly miss him. God bless.
