“ Ann

I worked with John at Sandia Laboratories for many years. He served as a mentor and friend and I am thankful for his friendship. I remember the wonderful trips that John, you and I took to Washington DC for Small Business conventions

I know that you and your family will miss him; however know that he is with Jesus and that time and faith will heal you loss.

“ I was very sad to hear about the passing of John. We were in Lincoln, Albuquerque High and the University together. We were teammates at Alb. High and the University. We were on the summer softball teams in college and later in life we shared many memories at tailgate parties and games. He was a great guy and will deeply be missed.
