“ I woke up today having had a wonderful dream about JK. We
worked together at HP and became fast friends. We took our breaks
and lunches together. We were both raising young kids. I woke up
wanting to send him a "hello" email and just discovered the news.
I'm so sorry to Matthew and family. John was an amazing warm
sweet gentle loving dad and friend. He will be greatly missed. I'm
honored to have known him and met he and Rosie's incredible son.
Take care and God Bless! Jessica M Armijo jmarmijo@hotmail.com

“ I was Matthew's kindergarten teacher at Martin Luther King, Jr. Elementary School in Rio Rancho, New Mexico. It was an honor to get to know both Matthew and John that year. John was a loving, wonderful dad that was always there to support, share, and guide Matthew. Matthew in turn has a strength of character and a strong sense of self that will guide him through his life. I will miss the passing hellos and warm smiles that John gave every time we saw each other. A note to Matthew: Follow the guidance and love that your dad surrounded you with and you will never go wrong. You are a strong young man that has many people cheering for you! Love, Mrs. Frances Browning

“ It's been a couple of years since I spoke to John and even longer since I'd last seen him, but I will always remember him as the one who could make us all smile. My heart goes out to all of John's family at this difficult time. You have been, and will remain, in my thoughts and prayers.

“ To the Kellogg family- I just wanted to tell you what a privilege it was to be a friend of John's. People come into your life and leave smiles in your heart,that was John. He and Matt would take me camping with them and the little boys(now I am sure that there aren't too many guys that would invite a gramma to go camping with them)It was so touching to watch him and Matthew together-the love between them was breathtaking. You will be in my prayers every day and night. My thoughts and prayers go out to Rosie's family,they loved JK so much.And may God keep precious Matthew close to him and help thhim through this so devastating loss. God Bless you all

I remember John telling me about how you all did a Scooby Doo theme. I said, "That's perfect! You would make an awesome Shaggy!" He was pretty fired up I wouldn't guess Fred for him.

We had fun this day. My team dressed as the Addams Family. I was Wednesday. We laughed because we both had pretty much everything for our costumes.

“ John and I worked together for almost 4 years, I only have good memories and good words for him. For all the people we worked with him, here in Mexico, it was a shock, and we are sorry. He was a fabulous person, workmate and a wonderful father. All we met John, will miss him. My prays and thoughts are with Matthew, Mary Jo and Rich.

“ JK, so many of my high school memories are wrapped up with you... From “third hour” to late night phone conversations. We haven’t spoken in years but I always was glad to know that you were out there in the world with your little boy Matthew. You were much loved and you will be missed... immensely. Rest in Peace.

“ Rich, Mary Jo, Matthew, Maria, Miguel, and all of the family- my deepest sympathy goes to you all. When Rosie became ill, John was so kind to Misty, Lesley, Kris, and me. He opened his home and heart and allowed us to be a part of something so special and beautiful, all the way to the very end. Those are memories I hold and will cherish for a lifetime. He was such a good Daddy to Matthew, a wonderful friend to all who knew him, and a precious son, brother, and uncle. JK, thank you for the privilege of being your friend. -Tonya Boyett

“ One of the greatest parts of my childhood was getting home from school and going to the Kellogg cul-de-sac for some basketball, football, or baseball. Games would get pretty big when all the hillview kids showed up to play. Sometimes we would spend the day playing ice hockey on the first Nintendo game system. I played soccer with John for many years and will always look back and remember how great those days were. He was an amazing person to be around.

“ It's challenging to put all the great times starting back at our college soccer recruiting trips to NAU to being in the real world into one memory that encapsulates my relationship with JK. So I won't do that, as I am sure everyone else knows. Anytime spent with him was positive, fun, energetic and happy. There were some trying time when he was grieving for Rosie but he never wavered from who he was. Trusting, respectable a great son, father, friend, brother and husband. My families condolences are sent to your families in this trying time. I am going to miss you deeply my friend. I can only hope you are at peace...

“ We'll always remember John on our camping and fishing trips to Coop's Place in Chama. Knowing that he was the BEST DAD to Matthew does our heart good. Just wish John could have stayed with us longer than his 39 years. Say hello to Rosie for us and may the both of you rest in peace. Know that Matthew will fine knowing that the two of you will be watching over him.

“ I remember John as a positive, loving and dedicated father. I met him through the basketball team at MLK last season where his son Matt plays and my daughter too. His focus was not only on Matt but on the other players as well, offering positive comments and clapping hands, and volunteering on the court when asked by the coaches. Matt is a great player and the hours that John put in with him shows. I felt that Genevieve had another fan in the gym on game day and too, the parents of their sons and daughter on the team. John understood that "children are messages we send to a time we will not see." For those who have known John can sense his faith in Jesus, and can finish the sentence, not John was, but "John is..."

“ John - An awesome man who took care of the one he loved most, his son, Matthew. A kind, loving man, truly caring for all who he met and spent time with. Always smiling with because he was doing what he loved best - taking loving care of little Matt. John will be greatly missed. I pray to my Lord and Saviour, Jesus Christ for little Matt, that he may be comforted beyond understanding.

“ *John was absolutely one of a kind. From the time we met John, he was a great father to Matt, and was so involved in Matt's school and sporting functions. John was a very supportive parent, and touch every life he encountered. He was such an important part of our MLK 3rd and 4th grade basketball team, and we consider him family. His smile and encouragement for all the players, coaches and parents will be missed. Our hearts are saddened for the lost, and our condolences are with all the family and friends of John. With the Love and Support he showed Matt, I am sure that Matt will continue to be a light for those he encounters just as John will continue to be a light in all of ours.*

John was a great man who loves Matt and all of his friends very much. He never missed any of Matt's school activities and always took the time to encourage the other kids. He will be missed by many.
