“ We are truly sorry for your loss and we will miss John and his sweet face more than we can express. John was a man small in stature, but big in heart. He was always willing to give and to help, and had a sharp, funny quick wit. John was always willing to share what he could - especially loved telling us "if you want some vegetables, better come get them - they won't last long"! Loved showing off his garden! We love John and will miss him.
