

John Milton "Milt" Stomp Jr.

December 23, 1935 - September 7, 2014

Milt Stomp, age 78, passed away peacefully at his home on Sunday, September 7, 2014. He was born on December 23, 1935 in Kansas City, Missouri. He moved to Albuquerque in 1959 to pursue a career in electronics at Sandia National Labs, where he worked for 37 years. At SNL, he was a pioneer in the early days of solar energy and retired as an area ES&H coordinator. In 1960, he married the woman of his dreams, Carol, and they spent 53+ years building a wonderful home together.

Milt's greatest joy in life came from his family. He was a devoted husband, father, and grandfather, joyfully referred to as "Papa" by his children and grandchildren. He was especially proud of his children ... watching them each earn college degrees from UNM.

Milt was an accomplished handyman who could fix just about anything ... provided it was not "Just Fine!" He also enjoyed working with wood in his garage shop and doing yard work.

Milt was a dedicated sports fan who enjoyed sports, especially bowling or any games involving his children/grandchildren ... or just watching a game from his leisure chair on weekends at home. He was an avid bowler for more than 50 years and was the proud recipient of a Lifetime Achievement Award from the NM Bowling Hall of Fame. Many people regarded him as the "authority on league rules" because he served as the Secretary for many local bowling leagues for five decades. He was also a long-time Dallas Cowboys fan, who watched them from the early days.

Papa, we will all miss your awesome bear hugs, your warm handshakes and your scruffy kisses for eternity!! Now please go roll a perfect "300" game and hit a hole-in-one in heaven!!

Milt was preceded in death by his parents, John M. (Sr.) and Maude "Suzie" Stomp; sister, Lenore "Nonie" Golding; grandson, Scott Shawn Stomp; granddaughter, Suzanne Stomp; and son-in-law, John Carrillo.

He is survived by his lovely wife, Carol; sisters, Margot Stomp and Ann Ruebelmann (Louis); brother, Michael Stomp (Nancy); five children, Daphne Carrillo (Michael Demarco), Stephanie Thompson (David), John Stomp III (Stacey), Shawn Stomp (Stefanie), and Jennifer Sherwood (Rick); ten grandchildren, Derek, Ryan, Brad, John IV, Zachary, Spencer, Abigail, Chad, Peyton and Lindsay; and his many beloved in-laws, nieces and nephews.

“ Our families interacted when our sons were in Little League together. Milt and I coached the boys when they were playing baseball and I saw him occasionally at Sandia where we both worked. We also went to the same church for years. He was a fine man who raised a nice family and he will be missed by many. We will keep him and his family in our prayers and hope that a sorrow shared will be a burden lessened.

“ May God the Father, the Son, and Holy Spirit provide you peace and comfort during this difficult time. I worked with Milt in the 1984-1988 time frame at the Solar tower. He was well respected as one who had many years of experience in systems in the solar area there. At times it appeared he might seem gruff in offering advice in going a particular way, but it was based in concern based on experience he'd seen in the past to help us avoid such mistakes in the future. He had a genuine respect for people and the projects he worked on. I really thought highly of him. I remember he was really proud of his son John who worked in the "water" area as an engineer.

“ I'm sending my love, thoughts and prayers to my Aunt Carol and cousins. Uncle Milt was also my godfather and I will miss him greatly! Uncle Milt (and undoubtedly Aunt Carol) always remembered me at Christmastime with my birthday being the 26th "from your godfather" always on the package or the card. This made me feel so special as a little girl! One day as we were gathering at my grandparents home for a Christmas celebration in Kansas City, I saw my Uncle with a spatula in his hand and he was very busy cooking pancakes. I asked him why or how he landed the job of cooking with all of the marvelous cooks (grandmother & aunts)around and he said, "well Michelle, it seems my children went into great detail to let Susie know she did not know how to cook pancakes correctly, like their papa does! So....Susie handed me the spatula and left the kitchen!" How funny!! Kiss my grandparents and Aunt for me Uncle Milton in heaven and know I loved you very much!! Michelle

“ I just wanted to send my thoughts and prayers to Milt's family during this difficult time. I met Milt through bowling like many of us. Milt always had a warm handshake for everyone at the lanes especially for Ben Carrillo. I will especially miss the teasing between those two. They would get after each other but it always would end with a big laugh from both of them. May you rest in peace Milt.

“ I remember when Milt first came to work for us at Holiday Bowl. The first time I had to ask him to do something, regarding league processing, I had no idea how to approach him, as I had always seen him as an authority figure. So I ended up stumbling on my words and saying something to the effect of: Mr Stomp, Milt, ummm Sir...could you, ummm, please.....He had a good laugh at that. That was many years ago and over those years, I grew to love him dearly! I cannot believe he is gone! I can only imagine his joy when he embraced his sweet grand daughter, his "lil peanut" as he so fondly called her, and his many other loved ones waiting to welcome him home...'til we meet again, Milt, Sir...'til we meet again...

“ Milt - what a wonderful man! For all the many, many years I have know him he was the most kind person. He was a bit scary at times when everything didn't go well with his leagues but he was just a big teddy bear. My heart goes out to all of his children and their families and Carol. His will be greatly missed by all that we lucky enough to know Milt. Thoughts and prayers are with you all.

“ I have fond memories of my grandparents Izzy and Hal bowling at Fiesta Lanes, where Milt was league secretary and teammate. Milt and Carol were good friends, and we hung out (and bowled) with their kids. Milt was always great to everyone, and I will always remember him.
