“ *Most of you do not know me...my name is Danny Cash...Johnny and I worked together in the 80's...and did a lot together outside of work...I had not spoke with Johnny for very many years but this sad news has brought back many good memories for me. The first one I recalled, was that Johnny was better on a bronc than in a porsche...the first time I invited him down for a weekend at the lake (Elephant Butte) for a weekend on the beach...he showed up in his bright red porsche and gave 'er hell all the way in to camp until he buried it to it's axles in the sand...that is where he pitched camp for the weekend. May God bless Johnny with many a bronc to ride in heaven...see ya there Johnny!*

“ It is hard to belive our brother has left us. We had so many plans to ride and gather cattle this fall out at the King ranch. He spoke of getting another motorcycle, so he could ride with us. I was really looking foward to that. We shared so many good times out at the Rio Puerco. Our times, fishing, camping, hunting, and rodeos were pricless. As a friend and brother he was their for you. Always ready to give you a helping hand. We will miss him Greatly. He was so much a part of our lives. Our prayers and Love go out to all his family . May the peace of Our Lord be with you Always.
