“ *Kathi made everyone she came across feel special. Every time I was with her she made me feel so special, Just to be in her presents was such a blessing. Her love for animals touched me to my core. She and Roger will always be in my heart and in my soul. I shall carry a piece of her to every pet I care for. Love you Lady and Love you Roger*

“ *It's a rare thing to have someone in your life for a while that makes you light up the way Roger lit up when he spoke of Kathi. She was someone very special.*
