“ *I have many favorite memories of "Papa". Whenever we came to visit there was golf on T.V. gold fish crackers by his chair and root beer in the fridge. Growing up we had many adventures in the perfectly kept back yard, one adventure ended with me falling into the fish pond on Thanksgiving. However the greatest memories come from a house full of love and laughter. He was proud of his family, and we are all proud of him. We love you and miss you Papa.*

“ *It was my privilege to know Ken and Glorida as pastor of Sandia Presbyterian Church. I moved to St. Louis in 2009, and so have had no contact since. But I remember Ken's sense of humor and good will. My condolences.*

“ *Kenny gave me the opportunity to learn the heavy/highway construction business. The years of working at Universal Constructors, with Kenny as my boss, are fondly remembered. Thanks Kenny. Glorida, Lesle and I send our sympathy to you and the family. I have attached a photo of the Big I Interchange, a project Kenny was very proud of. Bruce and Lesle Loughridge*

“Glorida, Carolyn, Donna (Duke) and family,
My deepest sympathy on the passing of Kenny. I enjoyed many hours at your house during Jr. High and High School. Mr. Webb (because our generation still calls our friends' parents Mr. Or Mrs.) was a great guy! So patient, and with a great sense of humor even coming home from work to find a houseful of teenagers just hanging out at his house! He entertained us with his rendition of "When the Moon Comes Over the Mountain" ! I loved him and Mrs. Webb like my own parents. He will be missed.

Love,

Audios Ken (spider web) I was fortunate to represent the State as Project Engineer on the original Big I. We had our differences, but in the end I considered Ken to be a Man of Integrity. Under Kens direction the project was finished ahead of schedule, on budget and proud of the job.

My heartfelt sympathy goes to Glorida and the Webb family.
