“ *Pat and I will miss Larry very much. I met Larry in 1980 and we carpooled for some years. His companionship greatly eased the frustration of commuting into Washington DC. The driving together evolved into a friendship of over 30 years with Larry and Judy. Like so many others, I thought of Larry as a best friend. Even though our reunions were limited by distance, we always felt close. We feel a great loss.*

“ *Larry was one of my closest friends throughout Junior High and High School. We had many great times together playing poker on Friday nights, football on Sunday afternoons or cruising Peter's drive-in in Larry's canary yellow 1966 Chevelle. We'll miss you buddy. Rest in peace.*

“ *I shared a lunch table with Larry my first year at Wyandotte. He was bright, personable, and always a gentleman. I was not surprised to learn that he had accomplished much in his short life. Larry was one of the "good guys" and they seem to leave us too soon.*
