“ Dear Family: So many fond and loving memories of a great aunt. She always had a smile and hug for me. I especially loved her laugh: she'd wrinkle up her nose and her laugh kinda of shook down from her head to her toes. Childhood memories: I loved my visits and stay overs with my Aunt Lara Lee and Uncle Foy. I remember her great cookies. She'd keep them moist by putting a slice of apple in the cookie jar. I loved her country twang. My favorite picture I have of her is as a young woman wearing pants, western shirt, and boots on a horse preparing for riding the cattle herds. Love and prayers.
