“ My name is Leann Maestas. I am a very good friend of Laurens. I talked to her a month ago it's hard to hear news like this on the front of the newspaper. My condolences go out to Leah and madyson. Lauren was a wonderful strong woman. She was always my voice of reason. Every time I messed up she told me straight up how stupid I was and that I need to get my life together. I've known her since 9th grade and we have always stayed in touch. I love you Lauren and may you rest in peace. You always will have a place in my heart. Because of you I am the woman I am today. Leah if you read this can you get a hold of me. I'd really like to talk to you. Im on face book.God bless
