“ Dear Sis. Rose Snow and family,
We were so sorry to hear that your loved one has passed onto the other side. Please know that we are praying for you and your family. We know that nothing we can do or say will take the pain away but if you will turn to Heavenly Father and all the teachings of Jesus Christ you will find the comfort that only they can provide. His Plan of Happiness has always comforted us and hopefully it will you also.

“ My sincere condolences to you all. Leon was a special person and patient to me. I will always remember his laughter and the way I would bug him to get him to respond by saying his name over and over. He served his country and for that, I am thankful. He will be missed, but not forgotten. :-) Love always, Amanda ❤️
