“ *Leona was a 2nd mom to me. She was so loved by me and my family so very much. I have to say she made the best green beans ever and so many tasty dishes! She was an awesome cook! Another talent she had was with the hummingbirds. They would just come up right next to her with no problems. She really had a talent there. She will be missed by everyone who knew her. She brought lots of love and joy to everyone and her memory will be with each and everyone of us. I love you very much Leona and I will miss you so very much.*

Love always
