“ Michael, I know I sent you a card, but I want you to know that if I had been in town, I would have certainly been with you all. Leslie was such a beautiful lady, sweet, friendly, and always smiling. We will love her and miss her, and please know that she will be in our hearts forever.

“ Dear Marsha, Sandy, Mike and Family,
I met Leslie in the 1970s on a trip I made from California to New Mexico to meet the entire Lee family. Each family is full of interesting people and the Lee family was one of the finest families I have ever met. I have treasured knowing each one over the years. On a recent visit to stay with Patricia and Margaret in Georgia we talked about the importance of family, keeping close, loving and respecting each other.
I love and respect each of you and wanted to let you know how sorry I am that Leslie has passed away and left us all (especially the grand children) much too soon.
With much love and affection, Caroline Coughlin Gill (404) 293-4000
