“ I am so very sorry to hear that Lisa has left this world for the next. She was a beautiful person inside and outside. My heart goes out to Francine, Michael, James, Rachel and her grandchildren. She was someone who enlightened peoples lives and made people richer just because of knowing her and her boundless love. She will be missed terribly.

May she rest in peace.

“ My deepest condolences and sincere sympathy to Francine, Michael and James. Words cannot express how deeply saddened to learn of your mom's passing. She was such a terrific woman. Always happy and kept her sense of humor. Whether it was the first time she met a new patient or some one she knew for a while, she had a comforting and welcoming demeanor about her. She will truly be missed. I will always cherish the many memories Lisa and I have shared, as co-workers and as friends.

“ As a co-worker who worked beside Lisa I can say she was a kind caring hard working lady who cared well for her patients (the people of New Mexico) She made the difference for countless people while working in the hospital helping them thru the hardest times of their lives.
May the Lord bless and hold her dear to his heart and may she find rest and peace

“ Dear Francine, I was sorry to hear about your Mother's passing, try to remember all the little things, the shared smiles, hugs and the laughter. The pain might seems unbearable now, but in time, it is these memories that will win through and you will find happiness again. My thought are with you.

“ My dear Lisa,

May all the choirs of angels lead you into paradise and may the martyrs come to welcome you. To bring you home into the holy city so you may dwell in new Jerusalem.

May holy angels be there at your welcoming with all the saints who go before you there---that you may know the peace and joy of paradise; that you may enter into everlasting rest.

Your Aunt Emma and all the children
