“ Bob, Rory, Renae and family, my family and I send our love and heart felt condolences. I remember Lois helping me with my math when I was in 4th grade and she always had Hi-C grape juice for me while we studied. They would come on little trips with me and my parents for picnics exploring N.M. and El Paso. I would make roads in the dirt so Rory could run his toy cars on them. Bob and Lois were also kind enough to be Godparents to one of our sons. They were always like an older brother and sister to me than friends. She will be missed and always remembered in my heart. I know she is walking with the Lord by her side.
