“*Mrs. Latimore was an absolute sweetheart. Whenever we saw her at family gatherings, she would greet us with a hug. She had a smile that would light up the room and make you feel good inside. My deepest condolences to her loving family who loved her so much. I know she is enjoying her reunion with her husband and family. Sending hugs and prayers from Oklahoma.*

“*My deepest condolences to Mrs. Latimore's entire family. She was always so sweet and loving and kind to me when we were at family events with my Uncle Frank, her daughter/my Aunt Donna and Kris and Julie. She would always make me feel like she was my grandma too. She left behind a beautiful legacy here on earth. May her family be comforted by reflecting back on their happy memories with her. No doubt she is an angel in heaven watching over them now.*
All my love,

“ When my brother Frank told me I would love the Latimore family, he was so right. Mr. & Mrs. Latimore were the most loving and kind people, they loved family! I was so thankful Frank had found such a precious wife, Donna and her loving family to marry into. They loved him as much as he adored them.

I admired Mrs. Latimore for her "full of life" attitude and energy she put forth even after the death of the love of her life. She had a love of nature and long walks. I loved her knowledge of every bush & flower and the joy she got from playing ball with the dogs that just set her apart from others her age, forever young. Who could forget her laugh and the fun she received from just being with her children and grandchildren and then "Her baby Ryan", great-great grandson who brought her so much joy these last few months! Mrs. Latimore, you were a great lady, carried on in life and lead your family with strength. We will all miss you so very much! You had a quiet way about you that we adored. We will miss your caring and concern for us as part of your family. You were most appreciative of the smallest of remembrances shown. Our relationship with you has blessed our lives. You will be greatly missed but never forgotten. Loving thoughts of you and the love of your life together now.

Sincerely and with love, Carolyn Overson Yoss & Chuck Yoss and Family
