“ Dear Family...

I am so sorry to hear of Lois's passing. I am deeply saddened by the news. Lois and Gil are wonderful friends of mine I met about 14 years ago at Sandia Casino- Bingo... Even after I left, we kept in touch, and the most precious memory I have was on my wedding day, that she didn't want to "NOT see me on my wedding day", even though she was not feeling good, but poked her head into my reception... She was my friend. Long talks of her children and pictures of all her grandchildren... I will always remember her.

“Mrs P., so many wonderful memories. You were around for all my babies, thus became Mom Mom #2. You helped bring Kelly home for the Hospital, you were there when Kevin was born and you were over early every morning to help me with the twins. So many good times just hanging around with you. A wonderful caring person who was always there to help, share her stories and brighten your day. So blessed to have had you in my life. You will always be in my heart and I smile just thinking of you. Love you so much!
