“ Sorry to hear about your sister, Phyllis. We remember her well and with great fondness. Many of us at the Telephone Museum of NM shared our careers with her. Her smile and upbeat attitude will always be a part of us.

I remember spending a lot of time with my aunt Lorna! She always let me stay with her. Sometimes for several days. She took me dancing with her when I was around 16 or 18 years old. Had a blast with her and her friends! She was also a huge huge support to me in the last several years. In many ways. I will never ever forget her and will carry her in my heart forever!
