“ *Lorraine had the greatest smile in the world. A gift to all who saw her smile. She loved going to concert and getting away on vacations. We had some great times. We went to so many concerts we could probably set a record. Lorraine you'll always be loved and remember by me. I love you.*

“ *We only knew each other a short time but the times we did get to share.. you were always a very caring, sweet, and giving person. You raised a wonderful daughter who carries on your spirit and generosity, along with your granddaughter, who I take comfort knowing you'll be watching over her. You will always be in our hearts and thoughts.*
