“ We so enjoyed your Mom's visits with her sister, Thelma in Ohio. Lucille was always so much fun and enjoyed life. I remember her last visit & her fishing with Thelma and Joe off his deck at his condo. They are so missed but find comfort that they are together now sharing the laughter still. God bless your family and bring you all comfort that she lived a good long life and touched the lives of many others.

“ Former LVL employee, often sat with Mrs Hayden in the Corner Cafe at lunch time or visited in her home. She shared the most wonderful stories of her Florida house parties with me. Our music groupe has performed at LVL for Cinco de Mayo the last 7 years and we always sang her a Happy Birthday song. We will be there this year on May 3rd & will tribute her with a birthday song. Thanks for the stories Mrs H. !

“ John,Bob,Scoot,Susan, & Linda we would like to express our sincere condolences for the loss of your mother. Ms.Lucile was the sweetest person,outside of our own mothers, that we have ever had the honor of knowing. I,(Wayne,) will never forget when I met her at Johns' retirement party there in Orange Park,Fl the quick wit that she showed at each remark that I made to her. She was such a joy to be around. I remember that she said that she would not go to bed until I told her good night. I know that each of you, as well as everyone who met her and was around her for only five minutes, will miss her greatly.We each can rejoice in the fact that we will see her again in the place that GOD has made for us. love to each of you and know that we are praying for HIS guidance in this time of sorrow.
