“ Dear Butch, Kirk and family, I'm so saddened by your loss of Lu. I was blessed to have the opportunity to meet her a couple of times and spend time with her when I visited NM. I felt so welcomed by her and enjoyed visiting your home and visiting Santa Fe. I felt her warmth the moment I met her. My thoughts and prayers are with you. With Love, Cindy (Dahle)

“ We are thinking of you and praying for peace and comfort to be with you. We have been away from albuquerque and the Sandia ward for 12 years now, but we will never forget your sweet mom! Your family is a wonderful family and we feel blessed to have known you for those 4 years we lived there. Our prayers are with all of you! Love, Ryan and Jenni Farmer

“ Butch and family, Just to let you know that my thoughts and prayers go out to all of you with the loss of Lujean. I will never forget when I first met her. You and she came for several weeks to pick me up for church and the very first time, she said to me, "if you need to leave before all of the services are over, that's what we will do." Now is that Compassion or what? and every week afterwards she would say the same thing.

*Butch, you were there for her to the end and now you have to get some much needed rest for there are so many decisions to make, both physically and mentally.. Because of your love for each other, and your faith, she will always be your wife, the mother of your children and the grandmother to their children, friend to all those you knew her and until you meet again, she will wait for you all. I am so grateful that Gd brought you both into my life.*

“ LuJean was a second mom to me. I love her and Butch as such. They provided me stability in a crazy teenage upbringing. I could always talk to her about anything, and I always felt welcome in their home, so much so that I lived with them before my mission. She fought to the bitter end, and I know will be missed by so many. My love and support goes out to all the wonderful Hesses.

“ *Such a fun, amazing woman that raised some fun and amazing kids. I spent so much of my childhood at the Hess home, went in several road trips, and especially enjoyed her tacos with ketchup, and her STOCKED pantry full of Little Debbie snacks. She knew how to party, and it seems she did that til the bitter end. Glad she's finally out of pain. Love u, Lu!!*

“ *LuJean Hess was my only living sister and my best friend for all of my life. She taught me how to give to others without judging them and I am so grateful for that. She was an amazing and caring person and showed that love to everyone she knew. I was so blessed to be her sister and I am going to miss her so but I am so glad that she is out of the pain and suffering she endured for the last years of her courageous life. I love you so much Lu...don't know what I am going to do without you in my life.*

“ *There are not enough good things I can say about LuJean Hess! Growing up I felt as though I had several parental figures guiding me. LuJean was certainly one of those people. She was one of the most genuine, fun, and simply good person that I have ever met. My heart goes out to the entire Hess family.*
