

Lutfi Hanna Hermina

October 3, 1924 - January 17, 2015

Age 90, a resident of Albuquerque, NM since 1995, passed away, peacefully, on January 17, 2015. Born in the village of Tema in Egypt, he became a medical doctor and later specialized in orthopedic surgery while living in Scotland. A humble, pious man of service, he helped thousands on the continents of Africa, Europe, Australia and North America over his 45 year career. He is survived by his wife of 58 years, Narges Hermina; son Wahid Hermina and wife, Gemma Hermina; two grand-children, Christine and Elizabeth; and an extended family scattered around the world. A private service was held.
