“ Arlyn, was a neighbor and I met him as I walked by the back of the home, I would reach over the wall to pet Fritz as Fritz would always greet me by barking as I walked past the fence. Arlyn would come out to the fence and talk with me. I also talked with him and Martha on the walking trail, he was always so friendly with a proud smile. He will be missed out on the walking trail. RIP Arlyn my sincere condolences to the family.
