“ I just found out today about Manny's passing. I am so sorry! May our Lord give you (his family) peace, comfort, and understanding in this time of your lives. I used to work with Manny at G&K Services. He was such a cool guy! God Bless you all! From Therese Sanchez (he knew me as Therese Zambrano at G&K).

“ Manny was and will always be my brother, like the puppy dog that follows you, it was I with my brother. I dearly miss you so, my heart is broken for now but I know your spirit is liberated and you are free. I did not want to be selfish holding on to you when I knew you were tired and you had fought the last battle and you made your stand. You never backed down and you were optimistic till your last breath. I know because I was there, you were never alone and neither are we. I Love You my big brother. You punched that ticket on Jesus Air. Your baby brother Never till our paths will cross again!

“ My deepest sympathy goes out to the family. Manny was my brother's, Tony Garcia, friend and a good friend to our family. Manny always had a smile on his face and I will always remember that smile. My thoughts and prayers go out to the family.
