“ I am sorry to hear about your loss and I extend my deepest sympathy to Isabelle Torrez, Lala Carothers, Ernest Gurule and all the rest of the family during this difficult time. Losing a sibling leaves quite a void for those that remain behind. God blessed Marcia to have lived a long productive life. I am certain that she made the entire family proud of all her accomplishments. She was such a thoughtful, caring and faithful servant. I am so appreciative for her dedication to education...for believing in children, for guiding through example, for inspiring with passion, for living through loving, for leaving an indelible mark on the future, for touching the human soul and especially for all the lives she impacted. She made all the difference and now can enjoy the best retirement ever! I am certain she is in the most beautiful paradise in her eternal home surrounded by her parents and other siblings. My mother the late Gregorita Dominguez loved her and all of you deeply. She was there with open arms and con un abrazo to greet her. I can't join you today for her services, however, I will have you in my thoughts and prayers. When you have an opportunity can you please contact me at 505-681-4239. I would like to make sure that Marcia Gurule's legacy is placed in the archives of the Sandoval County Historical Society. God bless all of you.
