*“ My heart is with you all today to celebrate the life of an amazing woman. My sweet, sassy, beautiful Auntie I will miss your laughter and your stories. Thank you all so much for sharing your mom with Steve and me when we needed her the most. I will never forget everything she did for us. She laughed with us, cried with us, gave us advice and listened when we needed her to. Hers were the arms that held all of our children when our mom couldn't. Thank you for all of the wonderful memories. Love, Lisa*
