“ Sue and Kelley: It was with great sadness we learned of Margil's passing. She made a tremendous effort to attend our Dad's funeral services in June 2012. It meant so much to our Mother, Mignon Stevens., They remained close friends all these years; visiting, having lunch together. Not too long ago we took Mom to Margil for their last visit together. It has been so sad seeing both Mom and Margil age, slow down and have to move to assisted living. Mom will be 85 January 7th. We haven't told Mom about Margil's passing as it will only make her very sad. Margil was a great neighbor all those years ago and an amazing friend; always sweet and thoughtful. May she rest in peace.

“ Dear Sue and Kelly,

Your mother was a neighbor across the hallway from my mother, Marian Fritz, at Brookdale. During their time together, our mothers became very good friends and enjoyed each others company, especially at meal times where both enjoyed witty conversation about the past, present, and future.

Please accept my condolences at the loss of your mother.
