“What an amazing, strong, wonderful woman. I learned so much from Grandma Hicks and have such great memories from summers at her house in Bountiful. I learned to love reading by watching her, making all kinds of fun things out of yarn. Great memories of picking raspberries and swimming all day long, and playing darts out back after the sun went down. Using her darling mini buckets of popcorn for movie time. I could keep going on forever, she will be so missed. I just feel grateful that I got to know and feel the love from her. Until I see you again, Love Natalie and Family.
