“ *What can I say about lovely Marilyn? She so graciously shared the love of her life with me. I couldn't have asked for a nicer gift than to welcomed as part of her awesome family. My world is such a kinder place because of her and I will miss being able to bask in her warmth. My wish is to be even half the fantastic human being she was. Thanks Marilyn. Rest in peace. All my love to her family; my family.*

“Marilyn was such a sweetie. and a good friend for 4 decades. She was also a great surrogate to my girls when they needed a shoulder, some baked goods or a prom dress sewn up in a hurry. She leaves a hole in our hearts and our lives. What a trooper, pioneer, survivor. These are sacred scars. Mark treated her like the Queen she is now. She is probably in some garden making paths for all of us. She will be holding the gate open for the rest of us. With a beautiful smile for each of us. and a hug. Hold fast little family. It won't be long. Much love

“ It has been 40 years since I last saw Marilyn, but have always remembered her in the fondest ways. When I moved to Albuquerque in the 7th grade, she was the first person to befriend me and was such a great example to me. We remained friends through high school.
