“ *Mom it's been 21 years since we first met. I will never forget how you treated me like a daughter from day one like you had known me my whole life. Thank you so much for being a wonderful part of my life and your grandchildren and great grandchildren s lives .you will be dearly missed. I will see you again in heaven so for now I will just say see you later. Love, Rochelle*

“ I never knew her as Marlene, I always called her Sister, I remeber you coming over to take my Momma to the store cause she didnt have a car then she would make coffee and you would sit around and talk about the Lord, I will always be greatful for the kindness you showed her. The things you are seeing now, and what you are talking about now...WOW! Wonder if they have coffee in heaven??? If they do I am sure you are sharing a cup with Momma and all the rest...Wont be long now..... Liz

“ I can think of a thousand different things but I remember your laugh, your whole body would shake. I remember the gospel group and you always sang tenor and the three sisters, you Mom and Aunt Nancy sounded like a choir of angels. I was your only niece and the oldest you used to say, but when I said " then I'm your least favorite then too", you'd just laugh and say never and talk to me like I was a child again. I miss that. You were a special Aunt, I spent 51 years with you somewhere around. You used to say " Remember the empty chair" and we will, tell grandma and grandpa to save me some biscuits and fried chicken, then stop by grandma and grandpa Eastman's for chicken and noodles, you loved those. Say hello to all who've gone on before and we'll be there soon, you just went a few steps ahead. Our lives will be a little different now but soon, all this will be past. Rest High On That Mountain. Mom and Aunt Nancy and your children and al of us are assured you're watching and oh the smile. It's not goodbye,it's till we see each other again. Love, Lu

“ *My loving sister, you were so much a part of my life, and I yours! I will grieve but I will always cherish your memory! 66 long years! Wow! I'll always remember "the frog song" you took the top and I was the frog. sharing a bed as children and teens. We laughed together, cried together, sang together, danced together, and all the secrets we kept for each other. Some say "only sisters" not so, you were Special!!!I won't say goodbye, just see you later!.....I LOVE YOU!.....your sister, Margaret*
