“Mother was truly a caring and giving woman. She generously contributed to Christian service projects such as mission trips to Bolivia sponsored by my church. Whenever we would go out to eat she would always approach veterans and police in uniform and personally thank them for their service. Her life was a reflection of her Christian faith and she will be missed by all who knew her.

“To a special woman that enhanced our lives with her love, compassion, and generosity to help anyone in need. She was great mother-in-law who treated me like a daughter with her advice, love and life experiences. I know her spirit is instilled in our hearts and her faith in Christ will help us down the road of life. You rejoice in the presence of Christ and feel only the heavenly glow of his love as you are once again with Dale and other family members watching us from above as we strive to fulfill the legacy you left behind. God Bless, Anne
