“ I am so very sorry for your loss. I know how hard it is to lose someone as wonderful as Mary Lou. I pray daily that God will give you the comfort and peace that you need to get through this time of heartache and grief. I think of her often and miss her dearly! She was the best friend a person could ever have. She was such a warm, kind-hearted, generous and loving woman. She was beautiful inside and out! I will forever be grateful for the time that I spent with her, although it was too short. I am a better person because of Mary Lou and I thank God every day for letting her be a part of my life. If there is anything I can ever do for your family, please let me know.

“ I am so very sorry for the loss of your Mom. Her dedication to nursing lives on in you girls. Her sense of humor never waned even during her last days. She was a special person and will be missed by all that knew her. She fought so hard and she never gave up! Now she has eternal rest and peace. The loss of your Mom will be felt forever but know that she lives in your hearts and that during her lifetime she touched the lives of many people.
