“ When I think of your mom, I think of how funny she was! She molded you into a loving and joyful person just like her. Her life and memory go on through you and all the joy you share with other people. That is exactly how she would want things to be! I thank God for her life and all the wonderful years you all spent together. What a blessing she will continue to be to you and all of us who love her. In every beautiful thing we see, that is where your mom will be..... Don't despair even though I know it hurts. A life well lived and a life well loved! Thank you Lord for the wonderful wife, mother, friend, May Fair Barnett! Hugs..... Anne

“ May Fair was the person her family all told stories about, but all the stories shared the same thing, a smile and a chuckle for both teller and told. Always in our hearts.

“ "Pam - Joe Burt It meant a lot to Johnny and I to be with you both and most of all Auntie. I know in our heart that she is with our lord and her love ones in heaven. The thought of her not suffering anymore comforts our hearts. She was a wonderful lady and loved by a lot of people. We loved Auntie and will miss her a lot . Hopefully there is a slot machine she can enjoy. Prayers are with you both and we will see you soon.

“ Pam and JB
My day has a void and my heart has a whole in it. Auntie and I
would talk at least
once a day some time more depending who we were talking about. I
will miss her always
and love her forever.
