“ *I only had the chance to hang out with Mia and her family a few times, so I didn't know her very well, but what I did know was that she was a beautiful, perfect woman inside and out and always will be. She lit up the room with her sparkling eyes and smile. She adored and cherished her family. She will be missed by a ton of people I am sure. Rest in peace Mia, my thoughts and prayers are with you, your family and friends.*
