“ Stephanie, Derek: I have known Mike since Junior High. He was and remained the great guy I have always known. Athletics were his passion as much as his friends and family. I'm only finding out now of his passing because I have been away from FB for sometime now and I am just in shock. Derek, you and I share the same birthdate and Mike and my brother share the same birthdate--so I would always kid Mike that he was 'test' driving our new age each year. Mike was so comforting when I became a widow some years ago so Stephanie I understand how it feels to lose the love of your life. 'D' as you father always referred to you ... He was so very, very proud of you. I'm so very sorry for your loss. Your Dad/Mike was truly a great man and I feel blessed to have known him and call him 'friend'. Be well and take care. He's not gone forever -- he's just in the 'next' room. ~ Karen Lucas Strickland, 'Wog Class of '77, now living in Fairfax, VA.
