“ To the McNutt Family and Christina,

I work for Final Clean and got the chance to work with Mike in ILLINOIS while he was with Pulte. I clean the display homes. I absolutely LOVED working with him, we were great buddies. I was so sad for him to leave this area and go back to NM,....I want you all to know he was a funny wonderful man to work with and i am so sadden for all of you and your family. It was a horrible shock to hear the news ...Everyone here that got to work with him will miss him terribly.

You are all in my thoughts and prayers

“ *Michael Arthur McNutt. Sweet, honest, reserved, dedicated, thoughtful, strong, and determined. That's what I remember about Mike. There will always remain a place for him in my heart. He will not be forgotten.*

Your strong McNutt family bond will help you recover. I know you'll be there for each other, but please remember to be patient with one another as you heal at different times, and in different ways. I am so sorry for what you all must be going through this week (and beyond). You are all in my thoughts and prayers.

Hugs,

Marie Vickers-Hill

“ We were deeply saddened when we heard of Mike's passing. We were lucky to get to know him while he was in Tucson. He had a positive attitude, good nature, and kind heart - he exemplified the best of human nature.

The pain and sorrow we feel in our hearts now will eventually be diminished.

He will be missed but our memories of Mike will last a lifetime!

You are all in my thoughts and prayers.

Romans 8:38&39

For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.

“ *Words fall short of expressing my sorrow for your loss. I enjoyed working with Mike in St. Louis so much. He always made my days brighter and our lunches more fun! Many of the people who he built homes for here in St. Louis have asked me to send their heartfelt prayers and thoughts to you all as well. It feels like yesterday that I was at a party Cristina threw for him before they moved to New Mexico. He was a great human being and I was Very lucky to have known him and worked side by side with him. May the love of those around you help you through the days ahead. Sincerely, Kari Green*

“ *I only knew Mike for a short time when he worked for Pulte in St. Louis, but he was always willing to go the extra mile to make a customer or co-worker happy and I think that describes the type of life he lived. He lived a life serving others and making sure he put his best foot forward everyday. He made the world a better place, touched many lives, and will surely be missed. May he rest in peace.*
