“ Michael was a really great neighbor to my Grandparents (just as Mary still is). I remember one time Papa and I blew out the electricity to the back of their house with a faulty switch my dear grandfather had rigged (?)... Michael and Mary came over right away and saved the day. Our gratitude to the Nicholas family can never be expressed. God bless you all. Much Love, Kristy

“ Mike was a good guy. We called him the Bear, but he was a Teddy Bear! He cared about people. He was never too busy to talk to folks about anything. The kind of co-worker you remember for being a friend. RIP, Mike.
