“ Recently heard of Michael's passing yesterday, while at the funeral services of another Los Alamos firefighter. Our paths intersected while at Los Alamos, and I can truly say that it was a pleasure to have known Michael. My deepest sympathies and condolences to Michael's family and friends.

“ *The Scutt Family;*
This morning I read about Michael and just wanted to to extend my sincere condolences to the family. It seems like Michael was a fine person. Death is such a painful thing especially when it strikes our love ones. Be comforted by that the bible says at Revelation chapter 21 verses 4 and 5. One day when Gods Kingdom rules over this earth death will be removed forever. And the bible assures us that there will also be a resurrection. So even though you have grief and pain now, look forward to the time when you'll see Michael again, and he'll never have to die! Remember to pray for Gods Kingdom to Come!
Respectfully D.W.

“ *I miss you more than words can explain!. You've been my buddy forever, you taught me how to ride horses and share the love for others!. I remember when I told you I wanted to join the military and you got so mad I didn't take you with me because you didn't want me to get screwed over!. The connection we had was like no other. Everyone says you're in a better place but to me being with our family is the better place!. I'm so glad you aren't hurting anymore and forever will you be in my heart, Rest In Paradise Uncle!.*
