“ My Uncle Micky was the "fun uncle" he always played sports and games with us, he went body surfing at the beach during family reunions. When I brought my girls to see him and aunt Minnie they always made my family feel special and welcome. Much love to Cindy and Micky jr as you grove the loss of your dad. Hugs and blessings from Texas

“ My Uncle Mickey was one of the most memorable people in my childhood! I watched him play football and was both enthralled and scared to death that he would get hurt. He always had a big smile and a powerful hug for his niece....even when I last visited him 3 years ago! I am so glad that my Dad and I made a trip to Albuquerque to visit Mickey and Minnie. The brothers had a great time telling stories (both embellishing quite a bit, I'm sure). Although they didn't maintain the relationship through correspondence or visits, they surely loved and respected one another, and picked up on their conversations of many years ago just like it was yesterday. Mickey's passing from this world leaves a void...mighty big shoes to fill!
